**Relationship with FPMT of the deceased person:** He was a Bon Buddhism practitioner, a direct student of Tenzin Wangyal Rinpoche, who had a close relationship that His Holiness, the Dalai Lama had authenticated.. He had read Lama Yeshe's works, though I never knew it. He was not a disciple in the sense that Lama Yeshe was his Guru, but he could have been called a devoted and sincere scholarly student.

**Relationship with FPMT of the person requesting prayers:** I am a Mahayana practitioner with no Vajrayana Guru in my life - yet. But, in my search for knowledge and wisdom, I found Lama Zopa Rinpoche's archive of advice, and was moved. Lama Zopa Rinpoche and I have not made a direct guru/student connection, but in my mind, he is, himself, a Buddha giving gentle teachings. I find a great deal of refuge in his archive. I am largely alone in my Dharma practice.
